Slabs

Slab Size 3040 x 1440 mm

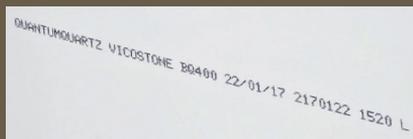

Slab Thickness 20 mm & 30 mm ■

Product Features

- Non-porous ✓
- High Scratch & Chip Resistance ✓
- High Abrasion Resistance ✓
- High Resistance to Staining ✓
- High Flexural Strength ✓
- High Resistance to Acid ✓

Slab Identification

Every Quantum Quartz slab is stamped on the underside to certify authenticity.

The Ultimate in Stone Technology

Quantum Quartz is manufactured using the patented Breton process which is renowned worldwide and contains more than 93% natural quartz, 7% combined bonding agent, special additives and pigments, making it an extremely hard wearing, practical and highly versatile surface.

Quantum Quartz is the ideal low maintenance, hygienic choice for benchtops, splashbacks, vanities and more.

Quantum Quartz looks great and with its sleek lines and finishes you can be assured many years of lasting beauty and style that you would expect and appreciate of such a highly reputable product.

Quantum Quartz surfaces are of the highest quality and offer a 10 Year Limited Warranty.

Please visit our website for Care & Maintenance and 10 Year Limited Warranty information

Please find below a list of possible edging details available – other custom profiles are available – Quantum Quartz recommends a minimum radius of 3-4mm on edge detail for optimal performance.

20 mm Arris Polished 40 mm Arris Polished

20 mm Pencil Round 40 mm Pencil Round

20 mm Bevel 40 mm Bevel

180° Bullnose

Double 180° Bullnose

Mitred Apron

Double Half Bullnose
40 mm

Keep Your Surfaces Looking Like New

Quantum Quartz have developed a range of cleaning products to keep your quartz surfaces looking like new.

Our Spray Cleaner and Cream Cleanser are available through our online store www.wk.com.au

Note: Quantum Quartz is a natural based surface. It may contain variation in colour due to raw materials. Particles used in the products may sometimes produce minor irregularities such as blotches and coloured particles. It is recommended for the customer to view the whole slab.
